

The Peep Squirrel™ Pre-Cut Binding Strips

**Super strong, pre-scored, and pre-cut binders.
Plain or custom printed in a variety of colors.**

Peep Squirrel™ Pre-Cut Binding Strips will give your sets a neater, more finished look. Their versatility and convenience make these our most popular binders.

- Made of strong 125 lb tag stock with post-consumer recycled content
- Pre-cut lengths in a variety of sizes to fit your prints right out of the box
- Triple-scored to accommodate from 2 to 160 sheets
- Plain or custom printed in a variety of colors

Simply fold the binders on the appropriate scoreline(s) and staple them onto your sets.

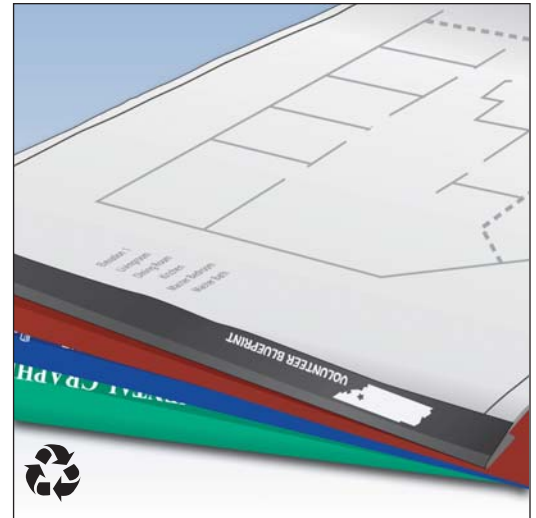

Advertise your firm with custom printed binders. Add your name, logo, company information, etc. to your binders.

Both matte and glossy finishes are available. Glossy binders are printed on coated paper that yields a darker black and brighter colors with a glossy finish.

A variety of colors are available. Standard colors are black, blue, red, green, orange and white. Or, have your binders printed in any Pantone color to match your corporate color. Printing can either be positive or **reversed**.

Call, fax, e-mail, or visit our web site to order. Satisfaction guaranteed or your money back.

The Peep Squirrel™ Binding Machine & Binder Rolls and Peep Squirrel™ Plastic Post Binders are also available to compliment, or as an alternative to, Peep Squirrel™ Pre-Cut Binding Strips.
