

The Peep Squirrel™ Print Wrapping Paper

**Custom printed water resistant wrapping paper
that protects your rolls of prints**

Peep Squirrel™ Print Wrapping Paper advertises your shop! Don't settle for plain kraft or bond paper when you can use wrapping paper custom printed with your name, logo, company information, etc.

A variety of ink colors are available. Standard colors are black, blue, red, green and orange printed on white paper. Or, have your wrapping paper printed with any Pantone color to match your corporate color.

Protect your prints and the environment. Our recycleable wrapping paper is an environmental alternative to plastic bags. Two paper options are available:

30# machine glazed paper is water resistant and contains 20% post-consumer recycled content.

40# butcher paper (bleached kraft) is thicker and stronger.

Both papers are available in four widths (18", 24", 30" and 36") that will conveniently fit into a standard kraft paper dispenser or into one of our dispensers.

Call, fax, e-mail, or visit our web site to order. Satisfaction guaranteed or your money back.
