

The Peep Squirrel™ Retail Bags

Custom printed bags for packaging your products and promoting your store

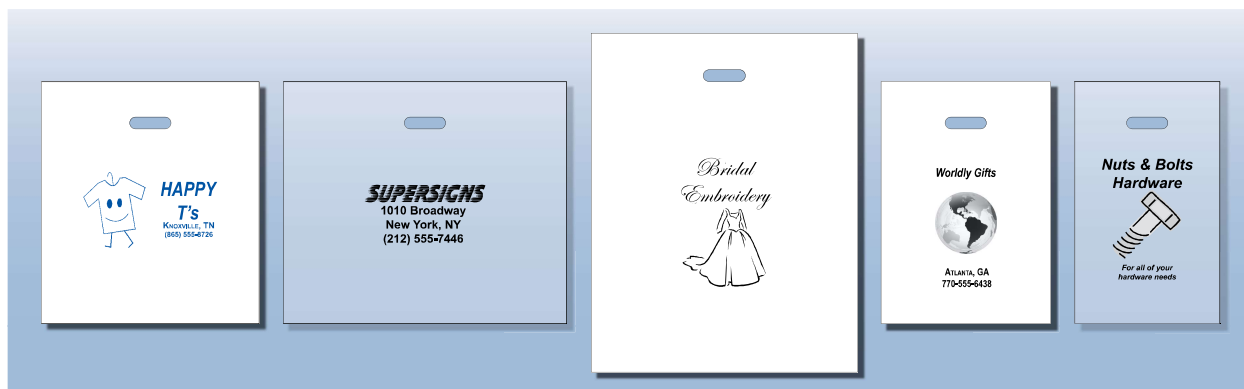

Peep Squirrel™ Retail Bags offer you a way to professionally package your products and promote your store at the same time.

There is no minimum order for our custom printed retail bags. Pricing includes printing with your company's name, logo, contact information, etc. Available ink colors are black or blue.

All bags are sold on the roll and shipped in convenient dispenser boxes. Retail bags are available in several sizes with a die cut handle.

All bags are available in either clear or white 2-mil polyethylene plastic. Clear bags are good for showing the contents or making them visible for easy identification. White bags make your logo printed on the bag more visible.

Call, fax, e-mail, or visit our web site to place your order. Satisfaction guaranteed or your money back.
